The attitude of the K.G.F. Sanitary Board does not appear to be very fair to its employees. The scheme of compassionate gratuity sanctioned by Govt has been adopted practically by all the local bodies in the State except the K.G.F. Sanitary Board. The arrangement has been welcomed on all sides by the Press and elsewhere. I think the Board should be persuaded to fall in line with the Govt. and other public bodies in the matter.

There is nothing in the Mines Regn against the extension of the privilege of compassionate allowances to the employees of the Railway Bd. Section 34 of the Regn empowers Govt to frame rules in the matter. A rule may perhaps be framed for this purpose. The Bd. has to approve their finances and pay these charges

With reference to your letter No. 888/28-29 dated 16th September 1929, stating that the Board have resolved that they are unable to adopt the scheme of compassionate gratuity in view of their financial condition I am directed to state that the scheme has been adopted by practically all the local bodies in the State. Govt. consider that the cost involved would ~~not also~~ be very ~~large~~ small and that the necessary funds ~~could be easily set apart by the Board~~ would not be very heavy only.
